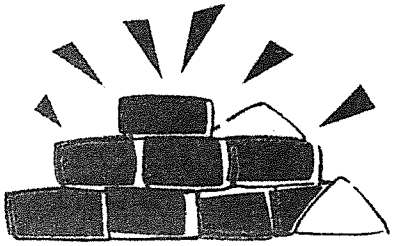
MEMORIAL BRICKS



St. John's has Memorial bricks available for the circular plaza entrance to St. John's School and the Fr. Capitani Social Hall.

The bricks are a wonderful way to support the parish while having a special remembrance for your family or a loved one. Why not have an important date or anniversary permanently remembered on the walkway entrance, or give as a gift to a family member to commemorate a special occasion?

Please complete the bottom portion of this form and Return to the Parish Office with your payment.
